

Arrive & Explore

Prompt sheet

Step 1 - Settling - with drone playing quietly, ask the the group about their journey.

Step 2 - Sounding & moving -make sss sounds - t t t sounds.

Noticing - what do you notice?

Can you make a sound and a shape?

Step 3 - Singing - while drone is playing, teach the song in your own time. When ready tap the song track to sing with the song melody.

Step 4 - Travelling - ask the group to stand to form a train. Tell them we will travel and pause.

Step 5 - Pausing, responding & interacting - stop the track and call out to the group. What can you see? Can you give it a sound and a shape?

Step 6 - Sharing & exploring - Bring the group back together to share what they have noticed. If appropriate record it and play back.

Step 7 - Exploring independently - invite the group to have a lovely day exploring their museum.
